

Double L Feed Kerrville, TX

From the Feed Sacks

March 2007

Volume 3

Give thanks for the rain!

With the recent rainfall, the first cutting of new hay shouldn't be far behind. Look for fresh coastal and alfalfa (from New Mexico) in the near future. In the meantime, we have plenty of coastal, alfalfa and oat hay to last until the new cuts arrive.

Got Salt?

Double L Feed does. Our salt prices are down and our inventory is up. Check out our salt products for both livestock and households.

- ✍ White salt blocks
- ✍ Sulfur salt blocks
- ✍ Trace mineral blocks
- ✍ Mixing salt
- ✍ Salt crystals
- ✍ Salt pellets
- ✍ Potassium chloride

The Science Diet products are available at both the Kerrville and Ingram stores and are at **new, and improved lower prices** – especially the larger bags. Check out our selection and let Erin or Jay know if you're looking for something we don't have in stock.

Recalled Pet Foods – None of the pet food recalls are on the shelves at either Double L Feed Store!

Shavings are Here!

And more are on the way. Fresh softwood shavings are back in stock at both stores
